Store Championship

Dragonball Super Card Game

Celebrate the release of Malicious Machinations (Series 8)

New Store Championship events take the 2020 Organized Play season to greater height! Top-performing players can earn a powerful advantage that can be redeemed when they attend a Regional Championship event. To celebrate the release of Malicious Machinations (Series 8), stores can hold Store Championship events for the 2020 Organized Play season! The Event Period for these Store Championships is 10th of January until 2nd of February 2020.

Format:

- Singles
- Constructed
- Swiss Rounds, no Top Cut is supportet for this event
- 60 minute best of 3 game matches

Requirements:

Order 1 Booster Box for every 16 players for this event.
Please contact c.schwebke@blackfire.eu with the order invoice number of the Booster Boxes you want to use.
Stores may only register one time.

Registration:

Via the Budokai Card Club System

Deadline: 12th December 2019

Important Note:

A 1 Round Bye is awarded for every 8 players that enter a Store Championship event. If 17 players participate, byes will be awarded to the top two players after Swiss rounds have completed.

Byes won by players do not accumulate, and are only valid at one Regional Championship event of the player's choosing. Once a Bye has been redeemed and used, it expires, and a new one must be won at a subsequent Store Championship event. Byes do not pass down to the next player if a player already has a bye.

Tournament Outline:

1. Number of players: 16 or 32
2. Prizes:

Each participant receives:

- Token pack x1 (6 pcs per pack)
- Deck Separator x1 (4 pieces per 1 set)

Top 8 receives:

1 Round Bye at a Regional Championship event in 2020

The winner receives:

Token Packs x2
Storage Box x1

Store Celebration Events for January

You can still apply for Store Celebrations for January! Until the 8th of December you can register online at the Carddass Club System. Please speak with c.schwebke@blackfire.eu about the products you need to buy for theses events.

Para Bellum's Conquest

Organized Play - The Vanguard Program & Store Locator

The Vanguard Program

The Organized Play around Conquest is all about the community. Therefore Para Bellum chooses Vanguard, people from the community, to help the store in his Organized Play. They help you with tournaments and to communicate with the players.

Ask today for signing up for the OP with Para Bellum with Leandros, he helps you getting your Vanguard! Contact him under his mail: Leandros.Mavrokefalos@para-bellum.com

To get your Tournament Kits, you can order them with Blackfire. As soon as they are available, Blackfire will inform you!

DragonShield

Store Locator and PoS-Material

Store Locator

In today's communication simple questions should be answered fast. The question „Where can I buy my Dragon Shield Sleeves?“ should be answered fast. The best way to archive that the answer is: „In your store!“ is simple: register your store as an official Dragon Shield store and you appear on the Store Locator on the official website:

<https://storelocator.dragonshield.com/>

You can sign up right [here](#).

Point-of-Sale Material for your store

PoS-Material is really important for a good oversight of all the products you offer for your customer. For this DragonShield can help you with PoS-Material for Dragonshield products! If you're interested please contact your Account Manager at Blackfire for more infos and help. There are things like banners or an overview of all available sleeves for an easy overlook for your customers and more available for you!

Feedback and Contact

Feedback

Dear partner,

the Organized Play newsletter is a new project. It will be provided on a monthly basis but we need your feedback to improve!

Was the information provided helpful? Is there a lack of information on a certain topic? What kind of content will help you and your business in the future?

Anything else? We are open for any suggestions for our December issue.

We're looking forward getting any kind of feedback. Please send to: c.schwebke@blackfire.eu

Thanks!
